1300 N. Boulder Hwy
Henderson, NV 89015

To Mike Devine:

This is a short note to tell you how much we appreciate doing business with such a professional company as yours. After being recommended by one of your competitors it was refreshing to find someone as honest and straight shooting as you were. I will make it a point to recommend you shop to anyone who will listen and after we move away from your area we will still return for your service.

Sincerely,

William N. Brown
